Health Alliance™ Vendor Breach Notice

Health Alliance is deeply committed to protecting the security and confidentiality of our members' information.

On Dec. 20, 2023, Health Alliance was notified that a subcontractor (Keenan) of a vendor (Ontrak) noticed a disruption on some of their network servers on Aug. 27, 2023. Keenan immediately began an investigation and as a precaution disconnected its network to contain the suspicious activity. The forensic investigation determined an unauthorized party gained access to certain records. On Jan. 10, 2024, Health Alliance received a report of potential members this incident affected. Between Jan. 10 and Jan. 23, Health Alliance reviewed the data to match the records to members in our system and determined information included in these records did impact some of our members. The information included member name, address, member number, date of birth, health coverage information, and, in some cases, social security number.

Health Alliance encourages members to monitor statements from Health Alliance and your healthcare providers and contact us should you see services you do not recognize.

Keenan is offering a complimentary 24-month membership in Experian® IdentityWorksSM Credit 3B to individuals affected by this incident. For more information on IdentityWorks, including instructions on how to activate your complimentary membership and additional steps you may take to help protect your information, contact Keenan for support at (833) 804-0859.

Please know that anyone may request a copy of their credit report once per year at no cost and receive information about fraud alerts and security freezes via the official Federal Trade Commission website found at www.annualcreditreport.com or by calling (877) 322-8228. You may also complete a request form at www.annualcreditreport.com/manualrequestform.action, and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.
