* Deductible does not apply

^ Copay applies before the Deductible

Embedded deductible definition - If two or more members have separate individual deductibles embedded within the family deductible. This gives each member a chance to have his or her benefits start before the entire family meets the family deductible.

When using out of network providers, you also pay any charges in excess of the **maximum allowable charge**. Amounts over the maximum allowable charge do not apply to the Out-of-Pocket Maximum.

This is a brief statement of Health Alliance POS benefits, exclusions and limitations which are subject to change. Please refer to the Health Alliance POS Policy booklet for more detail about your health plan. This document is in conjunction with the Summary of Benefits and Coverage (SBC). You can view your SBC online at www.healthalliance.org or request a copy by contacting the customer service number on the back of your ID card.
