

# Get Paid Faster with Change Healthcare ePayment

Health Alliance has partnered with Change Healthcare ePayment for electronic funds transfer (EFT) to providers.

Enrollment in ePayment is completely free.

## Get Paid Faster

With ePayment, you can accelerate your reimbursement cycle since you won't have to wait for your checks to arrive in the mail. It eliminates sorting and opening mail, reconciling paper-based claims payments, creating deposit tickets and making trips to the bank.

## Simplify Reconciliation

Using Change Healthcare Payment Manager, an online application available for ePayment users, you can search, view and print ERAs. The payment manager also provides access to downloadable HIPAA-formatted 835 ERA files from ePayment-enrolled payers to simplify payment posting.

## Enroll Today

Download the ePayment form from the Forms & Resources section of [YourHealthAlliance.org](http://YourHealthAlliance.org) for providers. Then, submit your completed form directly to Change Healthcare using the fax number or email address provided on the form. There is a 15-day validation period to process EFT requests.

## Helpful Hints for Enrollment

- Ensure that you are an authorized representative of the designated provider
- Have your contact, organization and financial account information available
- Supply your NPI in the Provider ID field
- Review all terms and authorization forms prior to submitting them to Change Healthcare
